TEVAKOL HEALTH

What to bring — checklist before travelling to Baku

A short printable list, based on the information on the site.

Travel documents

- [ ] Your passport and travel documents as required for entry (check them with the competent authorities before booking).
- [ ] Your e-visa approval — we submit the application for you.
- [ ] Your flight details.
- [ ] Your travel insurance details — appropriate travel insurance is recommended; confirm in advance what it covers.

Medical documents

- [ ] Any previous tests, X-rays and medical summaries you have — so that the doctor can review them.
- [ ] A list of the medicines you take.
- [ ] The written plan you received from us: the schedule, the logistics and what the accompaniment includes.

Tell us in advance

- [ ] If you keep kosher — we will help you plan your meals.
- [ ] If you would like your treatment and flight dates planned around Shabbat.

A general list only, not medical advice. The doctor advises and recommends.
